

Fundraising has not kept up with the times. This can be a concerning issue when you consider the roles, responsibilities and financial needs of most organizations are expanding rapidly. Encoura's Advantage Customer Program can provide your organization with one of the most modern fundraising alternative available.

Regardless of an organization's size, budget or other resources, the Advantage Customer Program can help maximize your fundraising potential while eliminating many of the downsides of traditional fundraising.

Increase the financial support for your organization while providing unique benefits for your supporters.

- Earn monthly funds of about 20% or more of all purchases year-around!
- FREE and quick to get started!
- Easy instructions for best results!

Q: Wouldn't it be nice if your organization could find a fundraising program that:

- Is designed to provide benefits for everyone involved?
- Does not create additional household spending?
- Can produces an outstanding income year-around?
- Is easy to implement?
- Takes very little time and effort to start and continue?
- Can create many more supporters outside your organization?
- Doesn't include any
 - candy bars
 - fruit
 - magazine subscriptions
 - door-to-door sales or interaction with strangers
 - collecting money
 - delivering products

A: You have found it!

With Encoura's Advantage Customer Plan, you can increase your organization's support while your supporters receive the above benefits and more!

Supporters can use the money they are already spending on the things they are already using to support an organization they believe in.

What type of organizations can benefit from the Advantage Customer Program?

**Schools
